

Don't take my KLOVE away!! KLOVE serves me as a resident in the Midland, TX community. There is no comparison from the local LPFM broadcaster station than to KLOVE. KLOVE IS POSITIVE & ENCOURAGING. We do not have good quality Christian radio stations in the West Texas area. I don't have to worry about what my child hears on KLOVE or whether it is appropriate. KLOVE gives quality, wholesome family moral values that no other station gives in the West Texas area. I am not concerned about screening what he hears on KLOVE. KLOVE helps keep not only me but many others in this area to stay grounded to the truth of Jesus. How can you take something away as important as Jesus? He paid the ultimate price for all of the world's sins. Considering how bad the world is, I hope that KLOVE goes on forever.
